Rates Start at \$159 Per Night Offering 60% Savings

Horseshoe Bay, Texas – September 28, 2007 – Now that the college freshmen are settled into their dorms, many parents are facing a vacant home, also known as the empty nest, for the first time in decades. To celebrate parents' newfound freedom, Horseshoe Bay Resort is offering a getaway for mom and dad to enjoy each other without the worry of curfews and carpools. Valid now through December 31, 2007, *The Waters at Horseshoe Bay Resort* is offering special rates starting at \$159 per night for a one-bedroom villa, 20% off one round of golf or one spa treatment, and a 10% discount at the property's dining outlets.* This special offers a 60% savings on the accommodations alone, which will come in handy when paying those tuition bills!

Mom and Dad will remember the carefree days when they were first married in luxurious, lakefront villa accommodations with private balcony, and access to a number of activities that will entertain for days. Couples can hit the links on three championship Robert Trent Jones, Sr. golf courses or an 18-hole par 72 Bermuda grass putting course, take a dip in three swimming pools, or don tennis whites on the 12 adult courts. Tired muscles will be soothed with a bevy of treatments at the spa and fitness facility, including a couples massage. After the daytime fun is over, parents can dine in any one of Horseshoe Bay Resort's four restaurants, ranging from burgers and club sandwiches at Cap Rock Grill to 25 oz. double cut porterhouse steak at The Yacht Club. Those sparing no expense can arrive in style at the resort's jet center with a 6,000-foot runway, private charter jet service via *Air Horseshoe*.
