Set Sail for Elegant Dining on Lake LBJ

Horseshoe Bay Resort Dining Yacht Debuts This Spring, Providing Unique Venue for Meetings & Special Events

Horseshoe Bay, Texas – December 18, 2007 –Horseshoe Bay Resort, located in the Texas Hill Country, is taking the phrase “dining on the water” literally with the debut of a 90-foot-long yacht this month. Setting sail on Lake LBJ this March, the dining yacht will host private events and group functions, ranging from intimate cocktail parties to seated dinners all year round. Adding to the multitude of dining and entertainment venues available at the resort, this unique vessel will exude sophistication from the bow to stern for a truly memorable experience, perfect for meetings, closing parties for corporate events, weddings and special celebrations.

The dining yacht will feature a 53-foot-long deck for open-air enjoyment, a climate-controlled dining room, an enclosed observation area on the upper deck, two full-service bars, a high-definition television monitor with laptop connections and a DVD player, a full stereo system connected to the PA system and classic honey maple wood interiors. Designed with the finest of Amish craftsmanship by Destination Yachts, Inc., the yacht can accommodate seated dinners and cocktail parties for up to 100 people. Research shows there is a connection between water and creativity, which makes the dining yacht the perfect setting for meeting brainstorms and executive board functions, sparking unique ideas in a social setting. From large festive affairs to a cozy night for just two, the yacht is also the ideal setting for celebrations, weddings and, of course, marriage proposals! A full menu and bar will be customized to suit each event.
