Prices and dates subject to change.

SUMMER CAMPS 2010

Horseshoe Bay Resort offers seven one-week Tennis Camp sessions and three one-week Sports Camp sessions. Full-day camps include lunch and swimming at the Yacht Club Pool.

With world-class instruction led by our tennis and golf professionals, campers may golf on one of three Robert Trent Jones, Sr. championship golf courses and play tennis on Laykold, red clay or ProGrass full-size courts. For campers up to age 10, our three USTA-sponsored Andy Roddick Kids' Courts help scale tennis down to the size and abilities of young players with smaller, specially-designed courts, depressurized balls and larger racquets.

For more information on Horseshoe Bay Resort Summer Camps, contact us by phone or by e-mail.
