Wedding Policies

Catering Food and Beverage Minimums

Banquet room rental fees will be waived when a minimum food and beverage purchase is met. Minimum food and beverage purchases apply. Please ask your Event Manager about value dates.

Deposits and Final Payment

A deposit of 20% of the food and beverage minimum is required upon receipt of the signed booking agreement. The estimated final balance is due at least five (5) days prior to the event by credit card or cashier's check. All other incremental charges will be settled with the credit card on file.

Service Charge and Sales Tax

Currently, Horseshoe Bay Resort has a 22% taxable service charge that is added to all food and beverage charges. Service charge is subject to change without notice. The applicable Texas State Sales Tax of 7.75% is added to all food items on your banquet check. No tax is added to alcoholic beverage prices.

Food and Beverage

To ensure the safety of all of our guests and comply with local health regulations and the Texas Alcoholic Beverage Commission, no food and/or beverages are permitted to be brought into the Resort or leave the premises by the hosts or their guests, with the exception of ceremonial cakes.

We appreciate your menu selections at least three weeks prior to the date of your functions. Menu prices are subject to change based on availability of product.

Brunch and lunch buffets are based on a 90-minute meal period. Dinner is based on two hours. There is a 20% per person, per half hour, surcharge to extend buffets.

The final confirmation "guarantee" of your anticipated number of guests is required by 11am, three days prior to the event and is not subject to reduction. If no guarantee is received, the Resort will charge for the expected number of guests indicated on the banquet event order. Final charges will be based on the actual attendance or the final guarantee, whichever is greater.

Planning Schedule

Menu selections and planning can commence one to four months prior to your wedding. All arrangements with your various vendors (i.e. photographers, musicians, etc.) should be finalized before this meeting. Your Event Manager will need a list of all vendors, complete with addresses, cell phone numbers and a contact person.

Outdoor Events

The Resort reserves the right to make a final decision if lightning storms or severe weather conditions are expected in the vicinity that may endanger the safety of guests or employees. Should there be a report of 40% or greater chance of precipitation, the scheduled function will take place in the designated back-up area. This decision will be made no less than four hours prior to the scheduled start time of the function. Should the decision be delayed by the client and results in a double set-up, a service charge of \$10 per guest will be added to the master account. Menu selections for outdoor events must be either buffet-style or food stations.

Decor and Entertainment

Notification is required for special decorations, set-up needs and activities at the time of the booking. All centerpieces are to conform to local fire code requirements.

Band and DJ music at outdoor venues must conclude by 11pm to comply with local noise ordinances. Background music is acceptable until midnight.

All vendors must sign off on Horseshoe Bay Resort's rules and regulations agreement prior to the event date. Your Event Manager will provide you with this form.

For the safety of our guests, no glassware is allowed at the pools or on the Lakeside Lawn.

Sleeping Room Accommodations

Complimentary overnight accommodations are provided for the Bride and Groom on their wedding night, based on availability and estimated food and beverage revenue on purchase of \$5,000 or more. Blocks of rooms can be reserved for your guests and individual reservations made through Horseshoe Bay Resort Reservations at 877.611.0112.

Linen, China, Decorations and Favors
